SUBJECT  
SPACE  
SIZE  
COLORS  
SUPPLIES  
SKETCHES  
PREP  
PAINT!!!

1. subject: make a Pinterest board or collect photos for an inspiration board
2. space: Visit or view a photo of the space where the painting will hang and take measurements
3. size: determine size and shape of painting
4. color: Choose your colors
5. supplies: gather your supplies
6. sketch: make a black and white thumbnail sketch showing tonal values
7. color sketch: do a rough sketch in color to define the composition and location of colors
8. Prepare the surface {sand, gesso or underpainting}
